Aloha everyone,

Please read through the application carefully because there have been some major changes. We are hoping that these changes will make for a better tournament.

One of the biggest changes is **"ALL"** teams will pull out of their pool and will be seeded to play in the single elimination format; not just top two. Because of this there will be many more matches scheduled; therefore, I am asking that **all "B" and "A" teams** be ready to play on Wednesday, Mar. 20th by 12:00 noon. This will be dependent on the amount of teams entered in each division. Because the deadline is Feb. 9th, hopefully it will give me enough time to give you early notice on whether we need to start at this time or not so that you may make your reservations accordingly.

Because there will be more matches scheduled due to everyone playing in the single-elimination format, **Masters will not be allowed to play in more than one division as in the past.**

In order to play everyone in the single-elimination format we have limited the amount of teams per division. Remember, your application, entry fee and Web point roster need to be received by **Feb. 9, 2019** in order to be accepted. This is a first-come, first-served basis so please get your entry in as soon as possible. Anything after this will be deemed late and will be charged a \$50 late fee.

Remember, each team must have certified or qualified referees and scorers as required by their respective region. If not, the team will need to pay \$25 for an official/scorekeeper per match to perform their duties. **New for the Juniors is that the Second Referee (R2) must be a rostered adult for ALL age division matches.**

No player may participate in any match in a division below his/her classification. Disqualification of the player and/or team will result.

If you are asking for a special exemption this needs to be requested in writing and submitted to the Championship Desk prior to your first match.

DEADLINE FOR ENTRY IS Saturday, FEB. 9, 2019.

Hope to see you for our 62nd Annual Haili Volleyball Tournament
