Aloha Everyone,

Not so long ago I remember celebrating our 50th Annual Haili Volleyball Tournament and here it 10 years later. It amazes me how fast the time goes by. We are excited to know that we have persevered in keeping this family tradition alive for 60 years. We hope that you plan to come and celebrate this accomplishment with us . **Save the dates March 27 – Apr. 1, 2017.**

For those of you who haven't played in a while and would like to be a part of this celebration we would love to have you here enjoying, reminiscing and sharing all the wonderful memories of times past. Please contact me at hailitournament@gmail.com or call 896-3358.

Applications will be ready in October. If you were on my mailing list last year or if you contacted me via email, I will automatically send the application to you. If you do not receive one you may either go to hailivolleyball.com, leaguelineup.com/mokuokeawe, aloharegion.com. or email me directly at lyndylindsey@gmail.com.

I hope everyone is gearing up and preparing to attend next year's tournament. We anticipate another wonderful year of fun, fellowship and great competition especially as we celebrate our 60th Annual Haili Tournament. We look forward to seeing you next year in March.
