

Announcement from Pat Akana, Juniors Tournament Director:

Aloha,

This weekend's League Play for the 13/14u and 15/16u will be played as scheduled. We will leave it up to the individual teams if they prefer not to play. Please email me as soon as possible.

The Aloha Region Juniors staff takes this Coronavirus (COVID-19) seriously, and we will take all precautions to ensure the safety of our players, coaches, and staff. This weekend we will wipe down the balls and equipment. We will also make available hand sanitizers and wipes for all the players. For parents and spectators, please bring your own supply with you. We are also asking for the cooperation of our players, parents, and spectators to abide by the following:

1. **If you have a cold, please do not attend this event.**
2. Players will be able to bring in their flasks, water bottle, bag, and a lunch sack only.
3. Please pack lunches and snacks into individual bags.
4. No large containers or boxes of food will be allowed into the gym.
5. Parents and spectators are only allowed to bring in their folding chairs.
6. Do not bring in any wagons or coolers (even if they do not have ice in the cooler).
7. All coolers with ice are to be left by the front door or outside the entrance doors.

If there any any changes to this weekend, we will notify you immediately.

We will assess all future League Play dates and notify you of their rescheduled dates. Thank you for your assistance with this matter.

Mahalo,
Pat Akana
